

Subject: Letter from State Legislators to the American People Reference the 2020 Election

To the citizens of the United States of America,

We the undersigned state legislators of the United States are vested with the plenary power by our US Constitution (Article 2 Section 1 Clause 2) to oversee the election of the president of the United States.

It has come to our attention from an audit of 2.1 million ballots in Arizona complemented by an in-depth canvass of votes in Arizona, as well as through multiple different data reviews of voting by independent experts; that our representative republic suffered a corrupted 2020 election.

In addition to Arizona, sworn affidavits have accumulated from many states detailing rampant corruption and mismanagement in the election process. Fraud and inaccuracies have already been shown through multiple audits and canvasses in multiple states, as well as through lawsuits challenging the validity of election results in several counties in multiple states.

We have come to the conclusion that all 50 states need to be forensically audited. Voter rolls should be scrubbed with a canvass of the voters to ensure future integrity of our elections.

If results from these measures prove an inaccurate election was held, as has been shown in Arizona, and is being shown in many other states; then it is clear that certification of many electors was improperly rendered in January 2021 of the November 2020 United States presidential election.

We call on each state to decertify its electors where it has been shown the elections were certified prematurely and inaccurately.

If it is shown that either Joe Biden would receive fewer than 270 tallied electoral votes, or Donald Trump would receive more than 270 electoral votes, then we call for the US House of Representatives to convene and vote per the US Constitution by means of one vote per state to decide the rightful winner of the election in accordance with the constitutional process of choosing electors.

This is our historic obligation to restore the election integrity of the vote as the bedrock of our constitutional republic.

If we do not have accurate and fair elections, we do not have a country.

Signed,

Senator Wendy Rogers, Arizona
